

ADVANCING

# Women in CyberSecurity

WiCyS is where the recruitment,  
retention and advancement of women in  
cybersecurity happens.

## MISSION:

Recruit, retain and advance women in cybersecurity to build a robust and diverse cybersecurity workforce

## VISION:

A world where cybersecurity workforce is an inclusive space

## WHAT YOU CAN DO

Join us to move the needle in women's underrepresentation in cyber! Explore our Membership Benefits page to determine if WiCyS is your community. We have professional and student communities, professional development programs, mentor/mentee programs, virtual and in-person conferences/career fairs, Job Board++, resources, and events for women in cybersecurity and their supporters.
