A career with purpose

Choosing to study or work in cyber security is a good decision, no matter what stage you're at in your career.

An evergreen industry, cyber offers unlimited opportunities to upskill and progress in your career, with no day ever the same.

Industry perks:

- High salaries
- Flexible working arrangements
- Supportive and progressive industry

Your new career starts here.

In cyber, you'll find a rewarding career that aligns with your interests, skills, and goals. Plus, being in Canberra, you'll be close to the highest density of organisations in need of your skills.

We've put together the 'Cyber Starter Pack' to get you on the path to upskill and make the move to cyber. Take the quiz below to gain access to a free toolkit.
